

In a Time of Crisis,
Help is Here for You

Free, Confidential Care is Available through Our EAP

If you feel overwhelmed by the impact of COVID-19 on your daily life, you are not alone! If you have help through our Employee Assistance Program (EAP) offered by Reliance Standard.

Assistance is Available 24/7

The COVID-19 pandemic presents challenges to every aspect of our lives. The EAP is a free, confidential resource that provides 24/7 support and access to professional advisors that can help you:

- Understand and manage your stress and anxiety
- Find financial counseling and support for sudden income loss
- Address concerns about substance abuse and behavioral health
- Identify resources in your community that can provide additional assistance

Our EAP also includes a variety of online resources, tools and content to help you care for your family's physical, mental and financial well-being. If you're worried about caring for your children or elderly family members, maintaining healthy work-life balance, or staying physically active, The EAP can help.
