

Our oral health rewards program

Help encourage good oral care

The connection between oral and overall wellness is clear. Visiting the dentist regularly can help prevent and detect early stages of many diseases and conditions. Help your clients promote good oral care with our Maximum Rollover Oral Health Rewards Program — a unique tool that encourages and rewards members who visit the dentist.

Helping employees maintain good health

- Members simply submit a claim without exceeding the paid claims threshold during the benefit year.
- Guardian will reward them by rolling over a portion of their unused annual dental maximum into their own personal Maximum Rollover Account (MRA) for future use.
- The reward can be used to supplement dental care costs in the future beyond the plan's normal annual maximum.
- Plus! If they use the services of in-network dentists exclusively during the benefit year, we'll increase the amount credited to the MRA!

How maximum rollover works

Guardian will roll over a portion of the unused annual dental maximum into a personal Maximum Rollover Account, which can be used in future years if the plan's annual maximum is reached. As an added advantage, additional money is rolled over if in-network dentists are used exclusively during the benefit year.
