KAISER FOUNDATION HEALTH PLAN OF THE MID-ATLANTIC STATES, INC., 2101 East Jefferson Street, Rockville. MD 20852

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage see https://kp.org/plandocuments or call 1-855-249-5018 (TTY: 711). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary/ or call 1-855-249-5018 (TTY: 711) to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall deductible?	$0	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible?	Not Applicable.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	$3,500 Individual / $9,400 Family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, health care this plan doesn't cover, and services indicated in chart starting on page 2.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See www.kp.org or call 1-855-249-5018 (TTY: 711) for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	Yes, but you may self-refer to certain specialists.	This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist.

⚠ All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
