

HOW TO ENSURE THAT YOUR FEDERAL AND STATE LABOR LAW POSTERS ARE UP TO DATE

1

KNOW YOUR POSTER

All combo posters display mandatory state and federal postings to ensure that all units are in compliance with the Department of Labor's regulations. Federal and State labor laws are constantly being updated, therefore you need to make sure that they are always up to date.

2

FIND THE QR CODE

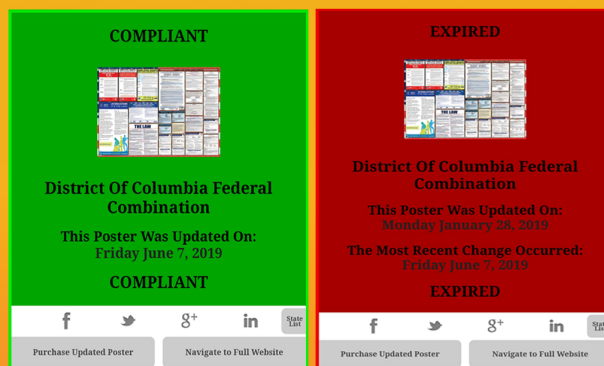

Most posters have a QR code displayed in the bottom left-hand corner. Most smartphones have built in camera applications that can read QR codes. Take a moment to scan the code on your poster, and follow the link to see if your poster is up to date.

3

ARE YOU COMPLIANT

Upon scanning the QR code and following the provided link, it will inform you if your Federal & State Labor law poster is compliant or expired.

4

ENSURED COMPLIANCE

If the link reflects that your unit is compliant, then you're all set! If your poster is expired, you should contact GSI Human Resources Department and order a new one.
